Riverside Industrial Park Press Release DRAFT 7-21-20 SEMD PAO.docx

Thank you for pointing out these edits, Shereen!

I changed “Site” to “site” and took out “the” before EPA throughout the press release. Mary didn’t have edits to Pete’s quote so I replaced “New Jersey Department of Environmental Protection (NJDEP)” with “NJDEP” in the fourth paragraph.

I’m waiting on comments from Elias and then the release will be ready for Pete’s review. We’re issuing it tomorrow.

I’ll remember to volunteer for every press release on a Superfund site of which you’re the CIC! *

Hey Sonia,

This looks good to me. Only a few comments:

- Site is capitalized in some sentences and not others. I believe it should be lowercased throughout.
- When we write about EPA, we usually just write EPA and not “the EPA” – not sure if it’s different for press releases, but wanted to point it out.
- NJDEP is spelled out twice before you use the acronym only.

No big deal edits – only suggestions. Thanks so much for giving me an opportunity to review.

I hope you’re well!
Shereen
